The so-much Fam'd HYPO-DROPS.

WHich in a few Days infallibly cure HYPOCHONDRIACK MELANCHOLY in MEN, and the VAPOURS in WOMEN, so as never to return again, be they ever so severe, or of many Years standing, and even after all other Remedies have prov'd ineffectual: and that by immediately striking at the very Root or true Cause, as well as remedying the Effects, of those perplexing Maladies and all their Variety of Symptoms, by which they mimick, by Turns, almost all the Diseases poor Mortals are afflicted with, and have their Rise from a depraved Appetite, vicious Ferment in the Stomach, and Indigestion of Food, whence proceed Crudities and flatulent or windy Disorders in the first Passages, sour Belchings, Cholick, Uneasiness in the Bowels, and ill Fumes, which offend the Nerves, and, by Consent of Parts, affect the Head, and produce sometimes Giddiness, Dimness of Sight, confused Thoughts, pertinacious Watchings, troublesome Sleep, Frights, groundless Fears, and the deepest Melancholy, with direful Views and terrible Apprehensions; at other times, Fits, Flushing Heats, Reachings, Faintness, Lowness and Sinking of Spirits, Palpitation of the Heart, Startings, Tremblings, and Twitchings in the Limbs and other Parts, with many convulsive Disorders, sharp Pains, fix'd or wandering Pain and Weakness in the Back, and other, almost innumerable and grievous, Symptoms, which miserably afflict vast Numbers of both Sexes.

All which Symptoms, in their sharpest Paroxysms, these so much fam'd and most pleasant Drops, (which are Chymically prepar'd from the most valuable Specificks in the Mineral, Vegetable, and Animal Kingdoms, and exalted to the highest Degree of Perfection possible) instantly quell, and at the same time annihilate their real Cause, directly bringing the Stomach into right Order, creating a good Appetite, rectifying the Digestion, occasioning laudable Chyle, and, of course, good Blood, Plenty of calm, free, and chearful Spirits, a regular Circulation of all the Fluids, and Strength of Nerves; so that both Cause and Effects of Melancholy and Vapours, are thoroughly removed by them, almost on the Spot, as the many Thousands of both Sexes they have perfectly cured, evince.

Whoever takes them for 3 Days only, will be sensible they are absolutely to be depended upon for an effectual and lasting Cure, and certain it is, that no Medicine upon Earth can equal them; be careful therefore to have the right Drops, which are to be had only at Mrs. Holt's, at the Crois-Keys and Star in Cornhill, near Stocks-Market, at 3 s. 6 d. a Bottle with Directions.

This Day is published,

A Sermon for the Benefit of the Poor in the Town of Nottingham; preached at St. Nicholas Church, on the 5th Sunday after Trinity, 1737.

By the Rev. M. BRADFOR, *Rector of Elton and Vicar of Collingham, in the County of Nottingham.*

Printed for T. Cooper, at the Globe in Pater-noster-Row.

By a Select Number of Fair Dealers in MINERAL WATERS.

A Seasonable Caution to all PYRMONT *and* SPA Water-Drinkers.

THERE are frequently Imported Quantities of false Waters, sold by divers Druggists and others, which may be distinguish'd by their having no *Marks* on the Bungs or *Seals* on the *Flasks*:

Whereas no Bottles are suffer'd to be filled at the *Pyrmont* Spring without having Impressed on the Bottles, either in *Whole* or *Part* (as in the Margin) the Arms of the Prince of WALDECK, in whose Country the said Spring is situated.

SO likewise the *true* SPA WATERS have the adjoining Impression (being the Arms of the Prince of LIEGE, in whose Country the *Spaw* Fountains are situated) either impressed in Glass on the *Neck* of the *Flasks*, or sealed with the same in *Wax* on the *Cap of Leather*, or *both*.

Such *Pyrmont* or *Spa* Waters as are not thus distinguish'd are assuredly Spurious; and there are no small Quantities of such imported —— which is the Reason of giving this Caution.

To Persons of either Sex Afflicted with any Species of the PALSY, *or other* NERVOUS DECAYS.

NEVER were NERVOUS DISEASES, PALSIES, and PARALYTICK DISORDERS so frequent as of late they have been, nor have the usual Remedies been found adequate to those pertinacious Distempers: This occasioned a Physician, who employ'd his Thoughts much concerning them, to adapt a Medicine, *a Sovereign Elixir*, peculiar to, and effectual for, the Palsy, and all other nervous Complaints now reigning, which after he had experienced on vast Numbers of Persons of both Sexes, and always with surprizing Success, even so as infallibly to cure by it the Palsy, and all Paralytick Effects and Nervous Disorders, he permitted it to be made publick for a general Good, that so those labouring under these miserable Ailments, might know where to meet with a safe and most certain Cure, which it accomplishes in so short a Time, and with such Ease and Pleasure (a few Drops of it being a Dose, highly agreeable to the Palate, and comforting to the Stomach and Bowels) as is almost incredible to relate.

But the taking one Bottle of it only, demonstrates its prodigious Efficacy to every one, and the Patients find all Numbness, Deadness, and Shaking, or Resolution of the Nerves, as well as all convulsive, cramp-like, or painful Contractions of them, vanish and return no more; and this though these Diseases have been of many Years standing, and whether occasioned by long Illness, fast Living, hard Labouring, or any other Cause; for it performs all that can be wish'd for in Nervous Cases, creates an Appetite, expels Wind, rectifies the Digestion, occasions laudable Chyle, strengthens the Blood and Juices, causes a free and regular Circulation of 'em thro' the Capillary Vessels, revives and increases the Spirits, warms, comforts, strengthens, and replenishes the Brain and whole Nervous System, hence the Sinews, Tendons, Ligaments, and all the enfeebled Parts are invigorated, the Limbs restored to their pristine Steadiness and Strength, and the Palsy and all Paralytick Disorders and Nervous Decays suddenly cured by it, to the Admiration of the Patients themselves, and all about them.

This sovereign and incomparable Elixir is permitted to be sold only at Mrs. Holt's, at the Crois-Keys and Star in Cornhill, near Stock's Market, at 5 s. 6 d. a Bottle, with printed Directions.
